Mission Statement

Andover Mind is a local charity for people who experience, or are affected by, mental health distress. We provide a range of services designed to enable people to achieve their individual potential and to participate in society. We also engage with the local community to promote mental health awareness and to challenge stigma and discrimination.

Please note that if you are a taxpayer (at whatever level) and you tick the Gift Aid column, we are able to reclaim on your donation an amount equivalent to the tax you have paid. This means that for every £1 donation we can receive a further 25p from the Inland Revenue. Details of your postcode are essential for this work.
